

20th Annual Scientific Meeting of the Cardiorenal Forum

Working together to meet future needs in cardiorenal medicine

09.25 SESSION 1. DIABETES, OBESITY, HEART AND KIDNEY

Chairs: Professor Paul Kalra, Consultant Cardiologist, Portsmouth Hospitals NHS Trust, Portsmouth & Professor Philip Kalra, Consultant Nephrologist, Salford Royal Hospital, Northern Care Alliance NHS Foundation Trust; Professor of Renal Medicine, University of Manchester

09.25 Introduction to meeting

09.30 Future approaches to obesity and diabetes to reduce heart and kidney disease

Dr Julia Kenkre, Consultant in Metabolic Medicine, Imperial College Healthcare NHS Trust, London

09.50 The effects of weight loss on cardiometabolic risk - and how to achieve it

Dr Elizabeth Morris, General Practitioner and Wellcome Trust Clinical Research Fellow, Nuffield Department of Primary Care Health Sciences, University of Oxford

10.10 *Discussion*

10.20 SESSION 2. THE BRITISH SOCIETY FOR HEART FAILURE LECTURES

Chair: Dr Lisa Anderson, Heart Failure Consultant, St George's University Hospital NHS Foundation Trust; Chair, British Society for Heart Failure

10:20 Device therapy for patients with heart failure

Dr Andrew Flett, Consultant Cardiologist, University Hospital Southampton NHS Foundation Trust

10.40 Sequencing the re-introduction of heart failure treatment pillars after AKIMs

Victoria Ruzsala, Specialist Pharmacist in Cardiology and Heart Failure, North Bristol NHS Trust

10.55 *Discussion*

11.00 COFFEE BREAK/EXHIBITION AND NETWORKING

11.30 SPONSORED SYMPOSIUM

This is a promotional symposium organised and sponsored by A. Menarini Farmaceutica Internazionale SRL including honoraria in accordance with the ABPI Code of Practice. Intended for UK healthcare professionals only.

The great debate: the high-risk cardiovascular disease patient – who seeks them out and treats them best?

Chair: Professor Smeeta Sinha, Consultant Nephrologist, Salford Royal Hospital, Northern Care Alliance NHS Foundation Trust; Professor of Renal Medicine, University of Manchester

The cardiologist?

Professor Julian Halcox, Chair in Cardiology, Swansea University Medical School; Honorary Consultant Cardiologist, Swansea Bay University Health Board

The endocrinologist?

Professor Vinod Patel, Professor in Clinical Skills, Warwick Medical School, University of Warwick; Honorary Consultant Physician in Endocrinology and Diabetes, George Eliot Hospital NHS Trust, Nuneaton

12.05 SESSION 3. HEALTH PROMOTION IN PRIMARY CARE

Chair: Professor Gerry McCann, NIHR Research Professor (Experimental Medicine), and Professor of Cardiac Imaging, University of Leicester

12.05 Activity for longevity – truth and reconciliation

Professor Thomas Yates, Professor in Physical Health and Activity, Leicester Lifestyle and Health Research Group, Diabetes Research Centre, University of Leicester

Discussion

12.30 SESSION 4. ADVANCES IN TRANSPLANTATION

Chair: Dr David Lappin, Consultant Nephrologist, Galway University Hospitals; Honorary Personal Professor of Medicine, University of Galway

12.30 Advances in preventing antibody-mediated graft rejection following organ transplantation

Dr Ciara Magee, Consultant Nephrologist, Beaumont Hospital, Dublin

12.55 *Discussion*

13.00 LUNCH BREAK/EXHIBITION AND NETWORKING

14.00 SPONSORED SYMPOSIUM

This is a promotional symposium sponsored and organised by AstraZeneca. Intended for UK healthcare professionals only.

Navigating RAASi roadblocks: a cardio-kidney conversation

Dr Sarah Birkhoelzer, Heart Failure and Imaging Fellow, University Hospitals Dorset

Professor James Burton, Honorary Consultant Nephrologist and Professor of Renal Medicine at the University of Leicester

14.40 SESSION 5. THE UKKA LECTURES: CARDIO-RENAL-METABOLIC SERVICE MODELS FOR BEST FUTURE PRACTICE

Chairs: Professor Smeeta Sinha, Consultant Nephrologist, Salford Royal Hospital, Northern Care Alliance NHS Foundation Trust; Professor of Renal Medicine, University of Manchester & Dr Matthew Graham-Brown, Clinical Associate Professor of Renal Medicine, University of Leicester; Honorary Consultant Nephrologist, University Hospitals of Leicester

14.40 How a bespoke multi-morbidity clinic can improve management of people with metabolic-renal-cardiac-disease

Dr Saif Al-Chalabi, Clinical Research Fellow, Salford Royal Hospital, Northern Care Alliance NHS Foundation Trust

14.50 Lessons from the metabolic-renal-cardiac clinic, e-referrals, and the virtual MDT

Professor Darren Green, Consultant Nephrologist, Salford Royal Hospital, Northern Care Alliance NHS Foundation Trust; Professor of Cardiorenal Sciences, Manchester Metropolitan University; Honorary Professor of Medicine, University of Manchester

15.10 *Discussion*

15.15 TEA BREAK/EXHIBITION AND NETWORKING

15.40 SESSION 6. CARDIORENAL CLINICAL TRIALS UPDATE

Chair: Ms Carys Barton, Heart Failure Nurse Consultant, Imperial NHS Foundation Trust, London; Chair-Elect, British Society for Heart Failure & Dr David Mulcahy, Consultant Cardiologist, Blackrock Health Hermitage Clinic, Dublin

15.40 Cardiac trials

Dr Geraint Morton, Consultant Cardiologist, Portsmouth Hospitals NHS Trust

15.55 Renal trials

Dr David Lappin, Consultant Nephrologist, Galway University Hospitals; Honorary Personal Professor of Medicine, University of Galway

16.10 *Discussion*

16.15 SESSION 7. INTERACTIVE CASES – CURRENT TREATMENT OPTIONS AND FUTURE PROSPECTS

Chair: Dr Sarah Birkhoelzer, Heart Failure and Imaging Fellow, University Hospitals Dorset

16.15 Case 1: IgA nephropathy (IgAN)

Dr Matthew Graham-Brown, Clinical Associate Professor of Renal Medicine, University of Leicester; Honorary Consultant Nephrologist, University Hospitals of Leicester

16.30 Case 2: Cardiac amyloid

Ms Angelique Smit, Lead Clinical and Research Nurse, National Amyloidosis Centre, Royal Free London NHS Foundation Trust

16.45 Case 3: HIF-PHI

Professor Philip Kalra, Consultant Nephrologist, Salford Royal Hospital, Northern Care Alliance NHS Foundation Trust; Professor of Renal Medicine, University of Manchester

17.00 MEETING CLOSE
